7. COMMENTS

- **Citizen’s Comments**
- **Aldermen Comments**

Alderman Inman stated she had spoken with TXDOT concerning the barrier walls. We, Council, will have to meet with the engineers about whether we will have the option to opt out from having the barrier walls put in place. She also checked in to the hole in the bulkhead on Marlin by the playground and Russell has had it filled in previously by Browning and James filled the few inches it had settled so it is no longer a hazard.
